RE: Voluntary Support to Families in Need

TO: CHURCHES IN MINNESOTA

Dear church family:

I'm writing today with a very special need for our churches in the community in Minnesota. I hope you will take a moment to read about how you can make a significant difference for God's Kingdom.

As you may know, the current surge in immigration enforcement has left many of our church families stranded in their homes unable to work, grocery shop, or send their kids to school due to fear of being arrested and deported. This is impacting people with all kinds of visa and legal statuses, including US citizens.

As the leader of Minnesota Adventist Community Services, a loving way to respond to this need, besides bathing everyone in prayer, is to offer financial support in the form of a food basket outreach.

If you would like to support this critical need facing many of our churches, please return your monetary donation electronically to the Minnesota ACS Disaster Response or via check to our Minnesota Conference ACS. Your gift will be noted in our giving records, and we will send prompt confirmation of your charitable donation. We also are in need of volunteers willing to help us prepare baskets to give out.

Thank you for your ongoing support of our Community Services Ministry at Minnesota Conference. I am proud to be a leader of such a wonderful group of people. If you have any questions feel free to contact me at ( 612) 296-2716 or via email at [Leslie.Morrison@mnsda.com](mailto:Leslie.Morrison@mnsda.com)

Blessings,

Les Morrison  
Community Services Director
